The annual subscription cost to our regular fixed price catalogs (on coins, medals, tokens, etc.) including a yearly catalog on books available and special discount catalogs as published is $3.00. In addition, to our regular catalogs, we will hold a minimum of two auctions, which will either include or specialize in coins, etc. The annual subscription cost to our auction catalogs including prices realized is $3.00. And we also publish fixed price catalogs on world paper money and the annual subscription cost is $2.00. Should you wish to subscribe to all three of the above the cost is $6.00. Airmail on any or all of the above, U.S. addresses (includes all 50 states, U.S. possessions, APOs and FPOs) cost is an additional $3.00. Airmail on any or all of the above, foreign addresses, cost is an additional $5.00. The names of non-subscribers may be removed from our mailing list at any time without notice.

Postage and insurance (or registration) fees will be billed on all orders without advance payment. We will absorb the mailing fees on all orders accompanied by full payment. All orders under $10.00 must include $.50 handling. The above also applies to overseas orders. However, we cannot be liable for items sent to countries that do not provide for insurance.

Applicable Texas Sales Tax must be included on all intra-Texas transactions. Texas dealers must furnish their permit number in order to be exempt from the tax. All prices quoted are in United States Funds.

All items are guaranteed to be genuine unless otherwise noted. All items except books and numismatic supplies are sent on five-day approval. Unless prior extension is arranged, all items must be completely paid for within fourteen days after their dispatch from our offices. After that a 1% per month interest charge will be added.

The references used to catalog these sections are: (1) Primarily Elizondo's Eight Reales and Pesos of the New World book, the first numbers are the code numbers, and the "T" numbers are the type; (2) Yeoman's Catalog of Modern World Coins book - these are the "Y" numbers used to cross-reference each Elizondo type; (3) When Yeoman is not applicable, we are referring to W. D. Craig's Coins of the World 1750-1850 book, which are the "C" numbers.

Elizondo's numbers are used by all of the leading numismatists in the United States and abroad. Collectors without a second edition are urged to obtain a copy. The book is available from us at $12.50 postpaid.

OUR NEXT AUCTION, ORIGINALLY SCHEDULED FOR DEC.3, 1974, HAS NOW BEEN MOVED UP TO FEBRUARY, 1975. MANY FACTORS HAVE DELAYED THIS LONG AWAITED AUCTION, INCLUDING AN EXTREMELY BUSY SCHEDULE, ILLNESS OF OUR EMPLOYEES, & THE VERY TIME CONSUMING PROCESS OF CATALOGING THE EXTENSIVE LISTING OF A MEXICAN PAPER MONEY COLLECTION TO BE OFFERED, IN ADDITION TO OTHER LATIN AMERICAN AND WORLDWIDE NOTES, COINS AND MEDALS. THE WAIT WILL BE WELL WORTH IT AS THIS AUCTION PROMISES TO PROVIDE SOMETHING FOR EVERYONE! CATALOGS ONLY $1.00 PER COPY AND $1.00 FOR PRICES REALIZED LIST.

*1 Dollar 1836. We, of course, do not make any claims that this is an official dollar. It is a fantasy piece which I understand was struck sometime back in Uruguay; wish we knew more about it??? From time to time, it appeared in auction catalogs about ten years ago, but we have not seen any offered for the longest time. The coin is silver, and the photograph is the best description we can furnish of this piece. Choice UNC with a proof finish. 85.00

THREE LATIN AMERICAN GOLD RARITIES

COSTA RICA FR-17, Y-34 (unpriced in Yeoman) 20 Pesos 1873 G.W. Rarest amongst the rare — only three specimens known. Uncirculated with friction. 18,000.00

GUATEMALA FR-44, Y-67, 20 Pesos 1878. Extremely RARE. Listed at $3,000 in last edition of Freidberg's catalog printed in 1971 and last recorded sale was May 1971 by Stack's at $3,500.00. This was its value before galloping inflation and renewed interest in rare gold was created. We are offering our specimen, a nice Very Fine, which escaped scratches and edge bumps — mainly graded VF because of its soft strike and crudeness which characterizes this issue. Our price, only. 6,000.00

EL SALVADOR SET commemorating 4th Centenary Foundation of San Salvador in original case, FR-5, Y-29, Gold 20 Colones and Y-30, Elizondo Type 3, Silver 1 Colon 1925. The gold coin has the smallest mintage of El Salvador's coins and ranks amongst the rare of Central American coins. In fact the reported mintage of 200 coins is questionable and the cataloguer doubts that more than 20 exist. Our last offering was the 20 Colones by itself for $4,950.00. We are proudly offering this extremely rare and cased set in UNCirculated condition for 6,000.00
